Griffith REVIEW 36: What is Australia For?

Griffith REVIEW 36: What is Australia For?

What is Australia For? asks the big questions to encourage a robust national discussion about a new Australian identity that reflects our national, regional and global roles.

In a powerful memoir, **Frank Moorhouse** confronts his own mortality when a routine trek through the bush at the back of Bourke takes a wrong turn; **Cameron Muir** argues for an urgent marriage between health and agriculture; **David Hansen** investigates the token Aboriginality of a Melbourne residential tower; and **Nick Bryant** takes the temperature of our cultural cringe.

Dennis Altman asks if Australians have lost the will to create a better society; **Robyn Archer** contends that sustainability and resilience must be at the heart of our national debate; **Kim Mahood** offers a lacerating account of white workers in remote Aboriginal communities; **David Astle** and **Romy Ash** deliver two outstanding pieces of short fiction.

Other contributors include: **Peter Mares**, **Leah Kaminsky**, **Jim Davidson**, **Frances Guo**, **Bruce Pascoe**, **Maria Papas**, **Pat HOFFIE**, **Charlie Ward**, **Michael Wesley** and more.
