Human Relations Lamberton

Human Relations: Strategies for Success 5e by Lowell Lamberton and Leslie Minor will help you prepare for this changing world. This text covers time-tested, research-based social science and management principles, as well as newer theories and philosophies of human relations drawn from management theory, group theory, personality theory, and relationship theory. More than ever, effective human relations skills are crucial to business success as organizations grow and compete in a global business environment. Employees must have the knowledge and skill to adapt to a workplace where change is frequent and inevitable.

Their commitment to the creation of a book that is at once interesting to read, motivating to study, and relevant to a wide variety has been the driving force behind *Human Relations: Strategies for Success*.
