Las huellas del agua (Salir del armario) (Spanish Edition) J.M. Redmann

Es solo una persona más desaparecida en una casa destruida.

En Nueva Orleans, unos meses después del huracán Katrina, hay miles de casas destruidas y cientos de personas desaparecidas. ¿Importa una más? Para Micky Knight sí es importante y se embarca en una búsqueda quijotesca para averiguar quién era la mujer y por qué había muerto allí.

La investigación de Micky la conduce a un enredo familiar donde la codicia y el engaño se extienden por generaciones. Alguien está usando la destrucción causada por las inundaciones para terminar lo que se inició hace cien años.

Micky no solo arriesgará su vida en este caso, también pondrá en peligro cualquier posibilidad de recuperar su relación con Cordelia y reconstruir la vida que tenía antes del Katrina.

J.M. Redmann tiene la capacidad de crear múltiples registros de historias y personajes que hacen de sus libros una lectura adictiva.
