Just as in our day, people under the teaching ministry of A.W. Tozer wondered about the end times. How should we read the book of Revelation? What does it mean for how believers live? In this never-before-published book, today's Christians can learn from one of the twentieth-century church's most profound thinkers and pastors. Tozer's teaching on Revelation offers a fresh and timely perspective on the purpose of prophecy, which the renowned writer believed was to lift our gaze from the immediate to the eternal.
