The Great Collapse Jeff W. Horton

While scientists prepare for a massive solar flare heading towards the earth, a hostile foreign government steals a top-secret, experimental weapon. When they use the EMP weapon to attack America however, the result is the immediate and catastrophic loss of modern technology all over the planet. The president calls upon Dr. James White to lead a group of scientists and theologians in an effort to develop a plan that will offer humanity a second chance at civilization. When societies begin to unravel, refugees flee the anarchy in the cities as people learn how to survive in a world without technology, a world for which they are not prepared. Will humanity survive this catastrophic event? Join author Jeff Horton for a journey into the chaotic and perilous new world of The Great Collapse.
