The Jewelry Maker's Field Guide: Tools and Essential Techniques Helen Driggs

Discover a thorough reference guide to metalworking tools and techniques with multiple demos, tutorials, cross-references, and supportive skill-building exercises and projects. Helen I. Driggs, senior editor for *Lapidary Journal Jewelry Artist*, brings her down-to-earth approach and strong metalworking knowledge base to this overview of basic and not-so-basic metalworking techniques.

The Jewelry Maker's Field Guide walks you through the variety of metalworking tools available and offers guidance on setting up a studio, buying and organizing supplies, and determining what tools to buy and when. Organizing tools by basic functions, Helen offers a solid and logical overview of metalworking techniques and teaches sets of related skills, showing how different tools can sometimes achieve the same end. Each chapter includes stepped demos and applied techniques for using particular tools. The book culminates in projects that combine a variety of techniques and allow the reader to further apply and practice their metalworking skills.

Get a solid foundation for understanding the basic (and not so basic) processes of metalwork!

As a pupil, I exactly feel bored to be able to read. If their teacher asked them to go to the library as well as to make a summary for some publication, they are complained. Just minor students that have reading's soul or real their interest. They just do what the instructor wants, like asked to the library. They go to there but nothing reading really. Any student feels that studying is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. A book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise, words say, ways to reach Chinese's country. So, this The Jewelry Maker's Field Guide: Tools and Essential Techniques can make you experience more interested to read.
