Are We There Yet? You May Be Further Along The Path Than You Think Robert L. Millet Do you ever feel as if your two steps forward result in one step back? As Latter-day Saints, we are actively engaged in building the kingdom of God. But because we have been called to the high standard of perfection and commissioned to pattern our lives after Jesus, we are frequently more aware of our shortcomings than of our progress. Sometimes we even question our standing before God or doubt our capacity to fulfill our mission here on earth and quality for eternal life hereafter. Yet, as author Robert L. Millet shows us in this inspirational book, we can find peace and hope here and now, even though we sometimes fall short of the ideal. We may not be there yet, but we are likely closer than we think.
