Berkeley at War: The 1960s

W.J. Rorabaugh

Berkeley at War: The 1960s W.J. Rorabaugh

Berkeley, California stood at the center of the political, social, and cultural upheaval that made the 1960s a unique period in American history. In *Berkeley at War*, W.J. Rorabaugh, who attended the graduate school of the University of California at Berkeley in the 1970s, presents a lively, informative account of the events that changed forever what had once been a quiet, conservative white suburb.

Rorabaugh's meticulously researched, authoritative narrative covers the entire period, from the rise of the Free Speech Movement to the growth and increasing militance of a black community struggling to end segregation; from the emergence of radicalism and the anti-war movement to the blossoming "hippie" culture; and from the explosive conflict over People's Park to the beginnings of modern-day feminism and environmentalism. An invaluable account of its time and place, *Berkeley at War* anchors the sixties in American history, both before and since that colorful decade.
