## **Ride The Mustang (SEALs Going Hot Book 1)** Desiree Holt

Fletcher "Mustang" Call is a dedicated SEAL and a committed Dom. The one thing he isn't is relationship material. A tragedy in his past killed his desire for more than a good time on leave and a little D/s play. Until April Coe walked into his life, a woman unlike any he's known. Problem is, she's as vanilla as they come.

April was warned about Mustang, a man as wild and free as his call sign, so she doesn't expect him to stick around for long. That's okay, she'll enjoy the great sex while she can. At least, she thought it was great. When she senses her sexy bronco is holding back, she has to decide whether to ride the mustang a little harder or set him free.
