The Cambridge Companion to Ovid (Cambridge Companions to Literature)

The Cambridge Companion to Ovid (Cambridge Companions to Literature)

Ovid was one of the greatest writers of classical antiquity, and arguably the single most influential ancient poet for post-classical literature and culture. In this Cambridge Companion, chapters by leading authorities from Europe and North America discuss the backgrounds and contexts for Ovid, the individual works, and his influence on later literature and art. Coverage of essential information is combined with exciting critical approaches. This Companion is designed both as an accessible handbook for the general reader who wishes to learn about Ovid, and as a series of stimulating essays for students of Latin poetry and of the classical tradition.
