## **Five Smooth Stones for Pastoral Work** Eugene H. Peterson

Whereas much of the current literature on pastoring stresses up-to-date training and new techniques stemming from the behavioral sciences, Eugene Peterson here calls for returning to an "old" resource--the Bible--as the basis for all of pastoral ministry.

Originally published in 1980 and now being reprinted to meet continuing demand, *Five Smooth Stones for Pastoral Work* shows how five Old Testament books provide a solid foundation for much of what a pastor does:

- Prayer-Directing: Song of Songs
- Story-Making: Ruth
- Pain-Sharing: Lamentations
- Nay-Saying: Ecclesiastes
- Community-Building: Esther

Pointing to the relevance of ancient wisdom, adapting Jewish religious tradition to contemporary pastoral practice, and affirming a significant link between pastoral work and the act of worship, this book opens up to pastors a wealth of valuable practical-theological insights.
