Hot Knight in Paradise by Sofia Harper

Stranded in paradise with no way to get home, Leah Smith needs a miracle, and fast. Instead, she gets Marshall Jackson, surely the sexiest man alive. Too bad he's got an emotional wall around himself--and her only hope of getting off the island ...

Marshall has a strict no damsels in distress policy, but there's something about Leah that makes him want to break his own rules. He agrees to let her work in his bar until she earns enough to get home. But the more time they spend together, the harder it is to deny the scorching attraction between them. Soon hot island nights provide balm to their wounded souls, but will these two flawed exiles make peace with the past in time to claim the future they deserve together--or will paradise be lost?
