**Miss Spelled** Sarah Belle

**Magic realism mixes with romantic comedy in this new novel from Sarah Belle about the dangers of internet shopping – and using magic to solve real world problems.**

Lou's life is perfect. She loves her job, her renovated house, and most of all, her gorgeous fiancé, Aidan. But when her old flame and Aidan's school yard nemesis turn out to be the same person, Hunter Wincott, Lou's life is blown apart. She must divulge her secret past, or have Hunter give it away. Either way, she runs the real risk of losing Aidan.

In desperation, she turns to Google. A quick search turns up Majique, the Internet Witch, and a spell that will delete herself from Hunter's memory. But something goes wrong in the casting process, and Lou deletes much more than just a memory. She deletes herself from her life completely.

Luckily, there's a one-week window for Lou to get back to the life she loved. One week to win back Aidan, before he walks down the aisle with the wrong woman, and damns everyone to a lifetime of misery. It would be easy, if only Aidan had any idea who Lou actually is.

#### **Leslie Bennett:**

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Miss Spelled can make you truly feel more interested to read.
