Teri Terry

Slated (3 Book Series) Teri Terry

From Book 1: The gripping first installment of the Slated trilogy, perfect for fans of *Divergent* and *Legend*

Kyla's memory has been erased, her personality wiped blank, her memories lost forever. She's been slated. The government claims that she was a terrorist and they are giving her a second chance—if she plays by their rules. But scenes from the past haunt her as she tries to adjust to a new life, family, and school, leaving her unsettled. Who is she really? And if only criminals are meant to be slated, why are so many other teens disappearing? As she and her friend Ben seek answers, Kyla is torn between the need to know more and her instinct for self-preservation.

"Excellent. . . . Kyla's erased memory works wonderfully as a storytelling device." —io9

"A perverse sense of claustrophobic dread grows throughout the novel. . . . Will have readers waiting eagerly for a sequel." —*Booklist*

From the Trade Paperback edition.
