## **The Imitation of Christ (Dover Thrift Editions)** Thomas à Kempis

This classic of Christian devotional literature has brought understanding and comfort to millions for centuries. Both Protestants and Catholics — as well as mystics and historians of religious thought — have studied these meditations on the life and teachings of Jesus, finding in them a path to prayer and spiritual guidance. Written in a candid and conversational style, *The Imitation of Christ* discusses liberation from worldly inclinations, recollection as a preparation for prayer, the consolations of prayer, and the place of eucharistic communion in a devout life. With its simple, readable text, this translation will appeal to new readers as well as to those already familiar with this religious classic.
