The Sopranos: Born Under a Bad Sign

Franco Ricci

The Sopranos: Born Under a Bad Sign Franco Ricci

Often hailed as one of the greatest television series of all time, *The Sopranos* is a product of its time, firmly embedded in the problems of post-industrial, post-ethnic America. In *The Sopranos: Born under a Bad Sign*, Franco Ricci examines the groundbreaking HBO series and its impact as a cultural phenomenon.

Ricci demonstrates an encyclopedic knowledge of the series, the genre, and their social context in his analysis of the show's complex themes and characters. He explores *The Sopranos'* deep engagement with problems of race, class, gender, and identity, specifically in its portrayal of the Italian-American experience, consumer and media-driven society, and contemporary psychosocial issues. The series' protagonist, Mafia boss and patriarch Tony Soprano, in many ways embodies the anxieties of our age. Focusing on Tony's internal struggles and interactions with his therapist, family, and associates, Ricci traces this archetypal character's existential conflicts and sheds light on his search for self, connection, and meaning.

Comprehensive in scope and sophisticated in approach, *The Sopranos: Born under a Bad Sign* is richly rewarding reading for anyone with an interest in the popular television drama, both as entertainment and social commentary.
