Unbroken Homes: Single-Parent Mothers Tell Their Stories

J Dianne Garner, Wendy A Paterson

Unbroken Homes: Single-Parent Mothers Tell Their Stories J Dianne Garner, Wendy A Paterson

Explore the real-life triumphs and tragedies of single-parent mothers! *Unbroken Homes* is a “story quilt” of personal narratives constructed from in-depth, case study interviews of five single-parent mothers. The book chronicles their journeys as mothers, daughters, and women, in relationships and in solitude, displaying their stories in their own words like the squares of a multicolored quilt. *Unbroken Homes* breaks through the stigma associated with “broken homes” and provides a new perspective on the reorganization of American families. *Unbroken Homes* encourages you to rethink some damaging stereotypical assumptions about children from single-mother headed homes. Drawing information from family research, counseling, and a cross-section of social sciences, this book is pertinent to any professional who works with single parents or their children. *Unbroken Homes* does not deal with what is “typical” in the single-parenting experience, nor does it give advice or proselytize. Rather, its purpose is to discover the meaning that single-parent mothers bring to their own lives, helping you to understand the dynamics of single-parent families from a uniquely personal perspective. In *Unbroken Homes* you will witness the ways that these women:

- experience the ill effects of gender role socialization
- work to overcome stigma
- redefine ideals for family life and gender expectations
- balance responsibilities in and outside of their homes
- stretch finances to meet the needs of their families
- regain strength and self-confidence
- encourage their children's development
- affirm the strength of their families
- cope with depression
- develop networks of support

This intensely personal collection of women's stories and reflections is a must read for everyone who seeks a better understanding of divorce, single-parenting, and being alone, from an insider's perspective.
