## **What Would My Cell Phone Do?** Micol Ostow

When Aggie Eckhart's family moves from Miami, Florida, to Denville, Alaska, because of her father's job, Aggie feels like a fish out of water. Not only is frozen Denville a far cry from sunny Miami, but she's got no friends, her mother is driving her crazy, and she loses her cell phone within the first month—cutting off her lifeline to civilization. But when an online search for her phone (using the schmancy built-in GPS tracker) reveals that the cell is enjoying life up north much more than Aggie is, she adopts a whole new outlook. No more woe-is-me, now it's all WWMCPD (What Would My Cell Phone Do)? And before Aggie knows it, things are looking a whole lot brighter in this charming, fun, and lighthearted YA romance.
