What's Wrong With Being Single? Maryam Jorjani

Absolutely nothing. Being single or facing divorce, separation, or widowhood doesn't mean unhappiness. Singles—the latest, largest, and least understood minority in America—are mad as hell, and they're not going to take it anymore. Drawing on many statistics and richly detailed case studies, Maryam Jorjani proves that society's pressures and misconceptions of togetherness drive many of us to get married. The result is often depression, divorce, addiction, violence—even suicide. Her conclusion: Living the single lifestyle, free and independent, may just be the best prescription for what ails America.
