Working with Young People in Secure Accommodation: From chaos to culture Jim Rose

The detention of children and young people as a response to delinquent and antisocial behaviour remains a topical and controversial issue.

In this new edition of *Working with Young People in Secure Accommodation*, Jim Rose provides an historical perspective on the topic of young people in custody and discusses the changes that have taken place in youth justice and the secure estate over recent years.

Rose introduces new material and has updated the original content in order to reflect changes in policy and practice. New areas covered include a consideration of the issues arising for children and families who are detained while issues of immigration and removal are being determined and the detention of children in police custody. Using a framework of ideas and theories to support staff thinking, the central chapters explore in detail the dynamics that emerge when the daily work of staff requires them to engage with vulnerable young people in the intense conditions of a locked environment. The relationships between staff and young people are shown as critical for the achievement of positive outcomes.

Taking a unique look at the issue of detention and its impact on young people, this highly topical book will be invaluable reading for practitioners, academics, policy makers and senior managers as well as students of social work, youth justice and education.

Oliver Watts:

That guide can make you to feel relax. This particular book Working with Young People in Secure Accommodation: From chaos to culture was vibrant and of course has pictures on the website. As we know that book Working with Young People in Secure Accommodation: From chaos to culture has many kinds or variety. Start from kids until young adults. For example Naruto or Detective Conan you can read and think that you are the character on there. Therefore , not at all of book tend to be make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading this.

William Kelley:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Working with Young People in Secure Accommodation: From chaos to culture can make you experience more interested to read.
