**A Christian Manifesto** Francis A. Schaeffer

In this explosive book, Francis Schaeffer shows why morality and freedom have crumbled in our society. He calls for a massive movement-in government, law, and all of life-to reestablish our Judeo-Christian foundation and turn the tide of moral decadence and loss of freedom.

*A Christian Manifesto* is literally a call for Christians to change the course of history-by returning to biblical Truth and by allowing Christ to be Lord in all of life.
