China's Poor Regions: Rural-Urban Migration, Poverty, Economic Reform and Urbanisation (Routledge Studies on the Chinese Economy) Mei Zhang

The number of poor people in China is huge, despite recent economic advances. This book investigates the problem of poverty in China's regions, discussing in particular the role of rural-urban migration in reducing poverty. It surveys the distribution and characteristics of poverty, examines anti-poverty initiatives by the Chinese government and includes the results of original research conducted in Shanxi, a typical province in Central China.
