She'll find him a bride if it's the last thing she does.

And it very well might be. Evangeline may be powerfully persuasive in her way, but convincing the notoriously wild Highland king Lachlan MacLeod to strengthen his alliances with a strategic marriage seems to be asking the impossible. Stubborn and proud, Lachlan seems determined to go against her will, even if it means endangering the people he's sworn to protect and the enchanted isle that has already seen so much discord.

Yet the battle-scarred Highlander cannot ignore his sultry advisor for long. When his mentor is kidnapped, forcing him to ride into combat alongside the beautiful Evangeline, he must choose between her safety and his own independence. It's a choice he makes in an instant. . .but once wed to the woman he could not resist, he'll soon find that his heart is in even greater danger than his kingdom. . .
