Schism: Part One of Triad (Saga Skolian Empire Series Book 10) Catherine Asaro

In 2002, Catherine Asaro won the Nebula Award for *The Quantum Rose*, the sixth novel in her Saga of the Skolian Empire. This very same novel was also named Best SF Novel by the *Romantic Times*. *Schism: Part One of Triad* is the tenth novel in this multiple award-winning series, and represents an excellent entry point into the series.

For *Schism* harkens back to the early years of the Skolian Empire, back to the beginning of the war between Skolia and the Euban Traders. Twenty-three years have passed since the fateful vote in the Skolian Assembly that Roca missed in *Skyfall*. It created the first open hostility between Eube and Skolia, which has only deepened over the ensuing years.

Now, Eube senses an opportunity, for strife has riven the first family of the Skolian Empire. Sauscony, the daughter of Roca and Eldrinson, is ready to seek her fortune as an officer-in-training in the Skolian military. When her father forbids her to undertake such a dangerous path, a wedge is formed as Soz chooses duty over family. Eube hopes to make this permanent, a divide that will leave the Skolian Empire ripe for conquest. And they're willing to kill anyone to make it happen.

Revel in the latest adventure of this Nebula Award-winning series.
