That package includes ISBN-10: 0133872270/ISBN-13: 9780133872279 and ISBN-10: 0133918181/ISBN-13: 9780133918182.

For the two-semester principles of economics course.

An intuitive and grounded approach to economics

Get students to think like an Economist using the latest policy and data while incorporating global issues. ***Economics, Twelfth Edition*** builds on the foundation of the previous edition and retains a thorough and careful presentation of the principles of economics. ***Economics*** emphasizes real-world applications, the development of critical thinking skills, diagrams renowned for pedagogy and clarity, and path-breaking technology.

Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed. When the chapter concludes, students "read between the lines" to think critically about a news article relating to the issue, demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events. Students will begin to think about issues the way real economists do and learn how to explore difficult policy problems to make more informed decisions in their own economic lives.

Also available with MyEconLab

MyEconLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

From reader reviews:

Jessica Lantigua:

The book Economics (12th Edition) gives you the sense of being enjoy for your spare time. You can use to make your capable more increase. Book can to become your best friend when you getting stress or having big problem along with your subject. If you can make reading a book Economics (12th Edition) being your habit, you can get far more advantages, like add your current capable, increase your knowledge about several or all subjects. It is possible to know everything if you like wide open and read a guide Economics (12th Edition). Kinds of book are a lot of. It means that, science reserve or encyclopedia or other folks. So , how do you think about this book?

Adria Jenkins:

Information is provisions for individuals to get better life, information these days can get by anyone on everywhere. The information can be a information or any news even a problem. What people must be consider any time those information which is from the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Economics (12th Edition) as your daily resource information.

Francis Knapp:

This book untitled Economics (12th Edition) to be one of several books that will best seller in this year, that is because when you read this reserve you can get a lot of benefit onto it. You will easily to buy this book in the book retail outlet or you can order it through online. The publisher in this book sells the e-book too. It makes you easier to read this book, because you can read this book in your Smartphone. So there is no reason to you personally to past this reserve from your list.

Sylvia Alexander:

This Economics (12th Edition) is great e-book for you because the content which is full of information for you who have always deal with world and also have to make decision every minute. That book reveal it details accurately using great arrange word or we can point out no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but hard core information with splendid delivering sentences. Having Economics (12th Edition) in your hand like keeping the world in your arm, information in it is not ridiculous 1. We can say that no book that offer you world with ten or fifteen tiny right but this book already do that. So , this is certainly good reading book. Hello Mr. and Mrs. hectic do you still doubt this?
