Forever: Why You Can't Live Without It Paul David Tripp

The here and now is simply not able to bear the weight of our expectations. We've lost an eternal perspective, and it hurts us every day. Job disappointment, relationship struggles, and quiet feelings of disillusionment all signal that something is not quite right. Life only makes sense when you realize that all of the situations, locations, and relationships of your life were not designed to be a final resting place for your hopes and dreams, but tools of preparation for a destination to come. Living without eternity puts pressure on the here and now to be what it cannot be and to deliver what it cannot deliver. Countless people deal daily with the frustration of a life that has no "forever." In Jesus Christ the hope of eternity is restored and, with it, a radical new way of understanding and facing the normal struggles of life in a world broken and waiting for restoration.
