Elmer Kelton

Pecos Crossing Elmer Kelton

Johnny Frisco and Speck Quitman, young, hard-working cowboys from Fort Concho, Texas, have worked six months--at \$20 a month--on the Devil's River. Their boss, a hawk-faced cow trader named Larramore, reneges on the money he owes the boys and sneaks out of the cow camp and heads for San Angelo.

Frisco is tall and thin, his mind a hundred miles away; Quitman is short, bandy-legged, and "bedazzled by the flash of cards and the sosh of whiskey." The two are as different as sun and moon but are inseparable—and now they have a mission: find Larramore and extract the money he owes them.
