Chosen for the 2016 Silicon Valley Reads program.

"Parzybok does this thing where you think, 'this is fun!' and then you are charmed, saddened, and finally changed by what you have read. It's like jujitsu storytelling."???Maureen F. McHugh, author of *After the Apocalypse*

In drought-stricken Portland, Oregon, a Robin Hood-esque water thief is caught on camera redistributing an illegal truckload of water to those in need. Nicknamed Maid Marian???real name: Renee, a twenty-something barista and eternal part-time college student???she is an instant folk hero. Renee rides her swelling popularity and the public's disgust at how the city has abandoned its people, raises an army . . . and secedes a quarter of the city.

Even as Maid Marian and her compatriots build their community one neighbor at a time, they are making powerful enemies amongst the city government and the National Guard. Sherwood is an idealistic dream too soon caught in a brutal fight for survival.

*Sherwood Nation* is the story of the rise and fall of a micronation within a city. It is a love story, a war story, a grand social experiment, a treatise on hacking and remaking government, on freedom and necessity, on individualism and community.
