## **The Long-Legged House** Wendell Berry

First published in 1969 and out of print for more than twenty-five years, *The Long-Legged House* was Wendell Berry's first collection of essays, the inaugural work introducing many of the central issues that have occupied him over the course of his career. Three essays at the heart of this volume—"The Rise," "The Long-Legged House," and "A Native Hill"—are essays of homecoming and memoir, as the writer finds his home place, his native ground, his place on earth. As he later wrote, "What I stand for is what I stand on," and here we see him beginning the acts of rediscovery and resettling.

### From reader reviews:

#### **James Fletcher:**

Why don't make it to become your habit? Right now, try to prepare your time to do the important act, like looking for your favorite book and reading a reserve. Beside you can solve your short lived problem; you can add your knowledge by the reserve entitled The Long-Legged House. Try to stumble through book The Long-Legged House as your good friend. It means that it can for being your friend when you sense alone and beside that of course make you smarter than ever before. Yeah, it is very fortunated to suit your needs. The book makes you much more confidence because you can know almost everything by the book. So , let me make new experience along with knowledge with this book.

#### **Francisco Gentry:**

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a information or any news even restricted. What people must be consider while those information which is within the former life are challenging to be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you receive the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Long-Legged House as the daily resource information.

#### **Helen Perez:**

People live in this new day of lifestyle always aim to and must have the extra time or they will get great deal of stress from both way of life and work. So , when we ask do people have spare time, we will say absolutely sure. People is human not only a robot. Then we ask again, what kind of activity do you have when the spare time coming to anyone of course your answer can unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative in spending your spare time, typically the book you have read is The Long-Legged House.

#### **Pamela Wilson:**

What is your hobby? Have you heard that question when you got students? We believe that that query was given by teacher on their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person such as reading or as reading become their hobby. You should know that reading is very important and also book as to be the thing. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You will find good news or update with regards to something by book. Many kinds of books that can you decide to try be your object. One of them is niagra The Long-Legged House.
