Uncover the glory in your home! Use paint to create inspired living spaces that reflect your style and your home's character.

Once upon a time, there was a sad little Victorian house on the corner, abandoned by its previous owners and abused by time. *Your Home, A Living Canvas* is the Cinderella story of that house and its transformation into a charming, historic home, thanks to the loving care of acclaimed decorative artisan, Curtis L. Heuser.

From the grand staircase to the cozy third-floor master suite, this book takes you along on the complete floor-to-ceiling, room-by-room makeover. You'll learn about the design concepts and inspirations for each space, along with real-world how-to's behind the wall treatments, ceiling features, architectural highlights, and other exquisite details.

- A series of 25+ step-by-step demonstrations show how Heuser used murals, trompe l'oeil and faux finishes to blend old with new, reclaiming the spirit of the house's former glory, while incorporating unique personal touches.
- Covers a range of decorative styles, from the exotic crackle-finish bookcases in the study, to the Italian country villa-inspired kitchen, to a sophisticated dining room that embodies the Old World ambiance of classic European interiors.
- Offers a wealth of expert decorating advice on using color to evoke mood, displaying your collections, mixing and matching eclectic furnishings, and more.

Whether you're interested in a simple faux finish technique or are dedicated to preserving the architecture and charm of your own historic dwelling, this book will help you create a living environment rich in color, texture and atmosphere ... a place called "home."
