El coronel sin espejos: Máximo Santos (Spanish Edition) Mercedes Vigil

En una época convulsa, marcada por una lucha fratricida por el poder y por el vertiginoso desarrollo que experimentaba la ciudad de Montevideo, la figura del coronel Máximo Santos destacó por su astucia, ferocidad y codicia. Personaje clave para entender las fuerzas que confluían en la construcción del Uruguay moderno, será a través de una mirada íntima y femenina, la de su culta y sofisticada amante, Maggie Hamilton, que el lector se acercará a la comprensión del complejo carácter de Santos, oscura y atrayente figura histórica. Mercedes Vigil combina la biografía, la historia y el romance para construir un fascinante relato que no solo da cuenta de la vida y la pasión de un caudillo sino que también muestra todos los fenómenos sociales que se manifestaron en un momento dado en el país y que crearían el Uruguay del futuro.
