**Pensar como rico para hacerse rico (Emprendedores) (Spanish Edition)** Benjamín González Roldán

El sentido de este libro es desarrollar aquellos aspectos de la personalidad que nos llevarán a hacernos ricos mediante el propio esfuerzo. Básicamente, todas las personas tenemos latentes las capacidades que nos pueden conducir a dirigir nuestra vida al objetivo fundamental de adquirir riqueza. Una advertencia: el autor no hace juicios morales, no habla de “lo que está bien” o “lo que está mal”; su interés no son las discusiones filosóficas, sino la concreta práctica de cambios en la actitud hacia la vida y hacia nosotros mismos que llevarán a transformar nuestra personalidad, desarrollando aquellas capacidades que tenemos para hacernos ricos, pensando, actuando y procediendo, continuamente, sin interrupciones, por todo el resto de una vida nueva, como personas que son realmente ricas. Y lo seremos realmente... Este libro brinda elementos y conocimientos necesarios para que, gerenciando positivamente nuestra personalidad, establezcamos un mejor conocimiento de nosotros mismos en función directa de transformar la realidad interna y la externa, generando así las condiciones necesarias para ganar dinero y solidificar una fortuna. La buena o la mala suerte no existen.

Sólo existen usted y sus capacidades para hacerse rico.
