Pillole Blu (Italian Edition) Frederik Peeters

Fred incontra Cati e se ne innamora. Cati è sieropositiva, come lo è suo figlio. Storia autobiografica della rieducazione sentimentale di una coppia che rifiuta di sentirsi "handicappata dell'amore", Pillole blu è uno dei libri più toccanti di Frederik Peeters, il più personale. Questa nuova edizione contiene una storia inedita, una riflessione a dodici anni di distanza dal racconto originale, per raccontare un amore sempre più forte, nonostante le avversità.
