**Shadow of the Void: Book Two of the Sundered World Trilogy** Nathan Garrison

**With comparisons to N.K. Jemison, Michael J. Sullivan, and Joe Abercrombie, readers have fallen in love with *The Veiled Empire*, the first book in The Sundered Worlds trilogy. Now, Nathan Garrison takes the story to the next level *Shadow of the Void*.**

The Veil has fallen . . . and the gods have been woken.

For many, a new dawn has risen, as freedom from the tyrannical Emperor Rekej has created a land replete with opportunities. But for those who had lived outside the Veil for generations, the sudden appearance of a new nation is not cause for celebration--it is the cause for war.

Yet, even as the political machinations of men and mierothei and valynkar start to manifest on a global scale, there are a few playing their own games. Whether it's the powerful combination of Vashodia and Jasside trying to carve out a country for those freed from the Veil, or the warrior Mevon and assassin Draevenus forming an unlikely alliance in search of the dark god Ruul, the world is in chaos...which might be exactly what some are counting on.

Continuing where *Veiled Empire* left off, *Shadow of the Void* shows us how individuals can shape their own destinies, but not necessarily control them.
