Learn how to complete a bank reconciliation statement quickly, accurately, and with ease.

You should read this book if you are an accounting student, bookkeeper, or accounting professional. Use this guide to walk you through how to:

- Reconcile a bank statement
- Create a bank reconciliation template
- Provide a guided step-by-step bank reconciliation statement preparation process
- Troubleshooting guide to help you find and fix common reconciliation errors

One of the most widely accepted misconceptions in the Accounting field is that every business accounting professional comes in the door with a firm understanding of the proper bank reconciliation format. Despite the fact that the reconciliation statement is imperative to validating accuracy, training is virtually non-existent. This book is designed to guide you through the reconciliation process with a customized process designed specifically to reconcile accounts quickly and accurately.
