**La guerra italiana: Partire, raccontare, tornare 1914-18 (Biblioteca storica) (Italian Edition)** Marco Mondini

"La maggior parte di coloro che vennero travolti dalla guerra, fossero soldati al fronte o donne mobilitate nelle retrovie, fece la propria parte fino in fondo. Come ciò sia stato possibile, è uno dei quesiti a cui ho tentato di dare una risposta. Perché, dopo anni di combattimenti e morte e dopo una vittoria così duramente pagata, le emozioni dominanti in Italia siano state non l'orgoglio bensì la disillusione e il senso di fallimento, è un altro".

Gli italiani in guerra in un racconto nuovo e avvincente. Nel panorama delle opere che guardano all'esperienza dell'Italia nel primo conflitto mondiale questo libro sceglie infatti di adottare come prospettiva la storia culturale, sulla scia dei più aggiornati contributi internazionali. Facendo ricorso a un ventaglio amplissimo di fonti, dai giornali alle memorie, dalle fotografie alle cartoline illustrate, l'autore mette a fuoco tre aspetti essenziali: l'attesa della guerra e la mobilitazione totale nei mesi e anni precedenti il 1915; l'esperienza del fronte così come è stata raccontata dai combattenti in memorie e diari e come è stata interpretata e reinventata da giornali, riviste, film; infine il peso della guerra sul dopo, dal culto dei caduti ai monumenti, alla costruzione del mito.
