Love is an Addiction (Oliver's Strange Journey) (Volume 2) Oliver Markus

Oliver moves from New York to Florida. Battling with depression, he gets sucked into the seedy underworld of Fort Myers, where he encounters a number of female drug addicts. He empathizes with them because of his own traumatic past. Oliver feels compelled to try to help them escape the addict lifestyle, but he soon finds out that he is in way over his head.

"Love is an Addiction" explores the world of online prostitution, the underlying causes and consequences of drug addiction, as well as the shortcomings of the AA 12-step-program and the failure of traditional rehab programs that are utterly divorced from modern medical science.

There have been a number of books about drug addiction in recent years, but "Love is an Addiction" offers a fresh, unique perspective.
