Stealing History

Gerald Stern

Stealing History Gerald Stern

In what could be boldly called a new genre, Gerald Stern reflects with wit, pathos, rage, and tenderness, on 85 years of life. In 70 short, intermingling pieces that constitute a kind of diary of a mind, Stern moves nimbly between the past and the present, the personal and the philosophical. Creating the immediacy of dailiness, he writes with entertaining engagement about what he's reading, be it Spinoza, Maimonides, John Cage, Etheridge Knight, James Schuyler, or Lucille Clifton, and then he seamlessly turns to memories of his student years in Europe on the GI Bill, or his political and social action. Unexpected anecdotes abound. He hilariously recounts the evening Bill Murray bit his arm and tells about singing together with Paul McCartney. Interwoven with his formidable recollections are passionate discussions of lifelong obsessions: his conflicted identity as a secular Jew opposed to Israel's Palestinian policy; the idea of neighbors in various forms — from the women of Gee's Bend who together made beautiful quilts to the inhabitants of Jedwabne, who on a single day in 1941 slaughtered 300 Jews; and issues of justice.

From reader reviews:

Earl Goodman:

Often the book Stealing History has a lot info on it. So when you make sure to read this book you can get a lot of profit. The book was written by the very famous author. Mcdougal makes some research just before write this book. This kind of book very easy to read you can get the point easily after looking over this book.

Maria Asbury:

The reason why? Because this Stealing History is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will shock you with the secret the item inside. Reading this book adjacent to it was fantastic author who also write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of gains than the other book get such as help improving your talent and your critical thinking way. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.

Kimberly Wood:

What is your hobby? Have you heard that question when you got scholars? We believe that that concern was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person like reading or as looking at become their hobby. You need to understand that reading is very important in addition to book as to be the factor. Book is important thing to provide you knowledge, except your current teacher or lecturer. You discover good news or update with regards to something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is Stealing History.

Jenny Perez:

Reading a guide make you to get more knowledge from it. You can take knowledge and information originating from a book. Book is composed or printed or descriptive from each source which filled update of news. On this modern era like right now, many ways to get information are available for an individual. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just searching for the Stealing History when you required it?
