En la serie de Documentos de Análisis del Personal Técnico del FMI se presentan los últimos análisis e investigaciones sobre políticas elaborados por miembros del personal técnico del FMI, que se publican para recibir comentarios y fomentar el debate. Estos documentos generalmente son breves y están escritos en un lenguaje no técnico, ya que se dirigen a un público amplio interesado en temas de política económica. Esta serie solo se publica en la página web y reemplazó en enero de 2011 a la serie de Notas de Opinión del Personal Técnico del FMI.
