God, Health, and Happiness: Discover Wholeness in Body and Spirit Scott Morris, Susan Martins Miller
Health care is much more than X-rays and pills and *Health Care You Can Live With* shows the close relationship between your physical health and your spiritual well-being. Written by Dr. G. Scott Morris, founder of the Church Health Center in Memphis, America's largest faith-based clinic for the uninsured, this book puts a human face on the hot topic of health care. Making the argument that healing both physical and spiritual is a key aspect of the Christian faith, *Health Care You Can Live With* provides both a biblical framework for wellness and encouraging real-life stories of those who found a better life within the overarching love of God.
