A uniquely inspiring story of a man on a quest to find himself, the woman who moves him, and the child who reminds him.

Angelo Mann has it all – a prestigious career, devoted family, plenty of money...everything he could possibly desire. He does, however, have a big problem – he is empty and aching inside. Angelo doesn't know who he is. Even more troubling is Angelo's fear that he will hurt his son in the same way his father hurt him.

Suddenly life sends Angelo an experience that forces him to rethink everything about the way he is living. As a result, he sets out on an incredible adventure which leads him to a discovery that could change the world – if he can find the courage to deliver it.
