Silver Serenade Gerry O'Hara

Handwriting analyst Christie Hamilton has had her heart broken before, so when she meets prominent and charismatic criminal defense attorney Cash McCullough, she's understandably wary of falling too fast for his advances. But Cash is as persuasive in his personal life as he is before juries, and soon Christie can no longer deny the attraction she feels. After a series of adventurous dates—sailing San Francisco Bay aboard Cash's *Serenade* and romantic trips to Big Sur, Lake Tahoe, and Sedona, Arizona—the relationship is solidified even further when Christie and Cash team up to solve a missing-person case.

Christie is nearly ready to reveal her love to Cash when he takes on a new client, one she believes is a dangerous criminal. A sudden argument erupts between the pair, causing a serious rift. Christie must decide if she can reconcile her professional ethics with her emotions, or if she should concentrate on her career—and discard her dreams of a future with the charming attorney.

From reader reviews:

Timothy Brown:

Reading a book can be one of a lot of action that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people like it. First reading a book will give you a lot of new info. When you read a publication you will get new information mainly because book is one of many ways to share the information or perhaps their idea. Second, looking at a book will make an individual more imaginative. When you studying a book especially fictional works book the author will bring that you imagine the story how the character types do it anything. Third, you may share your knowledge to other individuals. When you read this Silver Serenade, it is possible to tells your family, friends in addition to soon about yours reserve. Your knowledge can inspire the others, make them reading a e-book.

Christy Fowler:

Reading a e-book tends to be new life style in this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Along with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or maybe their experience. Not only the storyplot that share in the guides. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors these days always try to improve their proficiency in writing, they also doing some research before they write on their book. One of them is this Silver Serenade.

Terry Hollis:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Silver Serenade can make you feel more interested to read.

Alfonso Unruh:

What is your hobby? Have you heard in which question when you got scholars? We believe that that query was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. So you know that little person including reading or as reading become their hobby. You must know that reading is very important and also book as to be the point. Book is important thing to provide you knowledge, except your current teacher or lecturer. You get good news or update with regards to something by book. A substantial number of sorts of books that can you go onto be your object. One of them is Silver Serenade.
