The Changing Face of God Andrew Sung Park, James Cone

In 1998-99 five scholars presented lectures at Washington National Cathedral exploring our images of God and what difference they make. This book, and its companion videos, will allow parish study groups and individuals to consider and discuss the viewpoints of Marcus Borg, Karen Armstrong, Jack Miles, James Cone, and Andrew Sung Park. While the book and video can be used independently of one another, in combination they make an excellent parish study resource. The material itself is designed in such a way that it can be covered in five or more group sessions. Study questions accompany each chapter.
