John Jacob Astor IV

A Journey In Other Worlds: A Romance of the Future John Jacob Astor IV

A Journey in Other Worlds: A Romance of the Future was written by John Jacob Astor IV, who perished aboard the Titanic in April 1912. Published in 1894, *A Journey in Other Worlds* is a fictional account of life in the year 2000, speculating about such outlandish things as solar power, space travel, and a worldwide telephone network. Seeking other habitable planets, the spaceship Callisto embarks on a tour of the solar system that takes it to Jupiter, a wilderness paradise, and Saturn, where secrets about the fate of man are revealed. Both wildly imaginative and oddly prescient, *A Journey in Other Worlds* gives remarkable insight into how the future was viewed at the cusp of the 19th and 20th centuries.

HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.
