**Farewell to Cedar Key** Terri DuLong

"You'll fall instantly in love with Cedar Key and this homespun knitting community." --Lori Wilde

*New York Times* bestselling author Terri DuLong welcomes you to the colorful community of Cedar Key, Florida--a place where hearts are warm and friendship is true. . .

Josie Sullivan adores her Cedar Key home. It's been the ideal place to raise her daughter, Orli, who's just turning sixteen. Now that Josie has realized her dream of becoming a registered nurse, she's been offered the perfect job too--helping Dr. Simon Mancini run his new practice.

Until the clinic opens, Josie is filling in at Yarning Together, where she launches a series of knitting classes for men. Yet for all the vibrant changes, there are some tangled threads. Josie's romance-author mother, Shelby, receives a worrying diagnosis. And though Josie has always guarded her independence, her connection to Orli's father, Grant, seems to be rekindling. Most of all, as Shelby's college classmates rally around their dear friend, Josie begins to see that "home" is more than a place; it's the relationships woven into each life, strand by strand. . .

"An intriguing premise, a cozy, small-town backdrop, and even the hint of some magic. . . A sweet story, set in a friendly community." --*Kirkus* on *Postcards from Cedar Key*

"Tender and poignant, perfect for those who love knitting as well as the bonds between women." --*RT Book Reviews* (4 Stars) on *Sunrise on Cedar Key*

"A delightful addition to that genre of needlecraft-inspired books." --*Library Journal* on *Casting About*

### From reader reviews:

#### **Christopher Patterson:**

Information is provisions for those to get better life, information nowadays can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider when those information which is inside former life are difficult to be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you receive the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Farewell to Cedar Key as your daily resource information.

#### **Robbie Lewis:**

Your reading 6th sense will not betray an individual, why because this Farewell to Cedar Key reserve written by well-known writer we are excited for well how to make book which might be understand by anyone who also read the book. Written inside good manner for you, leaking every ideas and creating skill only for eliminate your current hunger then you still skepticism Farewell to Cedar Key as good book but not only by the cover but also by the content. This is one guide that can break don't judge book by its handle, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your reading through sixth sense already said so why you have to listening to yet another sixth sense.

#### **Annamarie Hernandez:**

This Farewell to Cedar Key is great book for you because the content that is full of information for you who always deal with world and also have to make decision every minute. This kind of book reveal it data accurately using great manage word or we can claim no rambling sentences in it. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with beautiful delivering sentences. Having Farewell to Cedar Key in your hand like finding the world in your arm, information in it is not ridiculous just one. We can say that no guide that offer you world inside ten or fifteen second right but this e-book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. occupied do you still doubt in which?

#### **April Harry:**

Reading a book to be new life style in this yr; every people loves to learn a book. When you examine a book you can get a wide range of benefit. When you read guides, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this sort of us novel, comics, as well as soon. The Farewell to Cedar Key will give you new experience in reading through a book.
