Il narcisismo (Farsi un'idea) (Italian Edition) Antonio Alberto Semi

Nel linguaggio comune siamo abituati ad associare al termine narcisismo vanità, esibizione, megalomania ma anche nevrosi e comportamenti patologici. Siamo fuori strada: il narcisismo è una dimensione fondamentale e normale dell'attività psichica, che ci riguarda tutti e in ogni fase della vita. Ripercorrendo il mito di Narciso creato da Ovidio e giungendo fino a Freud e alla ricerca psicoanalitica attuale, questo libro ci fa capire quanto Narciso sia presente nella nostra quotidianità - dal mondo della famiglia a quello della politica - e ci influenzi nella costruzione delle nostre relazioni affettive e sociali. Ci mostra infine come l'amore di sé possa anche danneggiarci, ma come sia necessario per poter stare bene in compagnia degli altri.
