The children were waiting. Waiting for centuries. Waiting for someone to hear their cries. Now nine-year-old Christine Lyons has come to live in the house on the hill -- the house where no children have lived for fifty years. Now little Christie will sleep in the old-fashioned nursery on the third floor. Now Christie's terror will begin.

Playing with family in a park, coming to see the marine world or hanging out with good friends is thing that usually you may have done when you have spare time, in that case why you don't try issue that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love When the Wind Blows, you can enjoy both. It is great combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.

#### **Dennis Bales:**

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this When the Wind Blows can make you feel more interested to read.
