1. **Engage: Before Reading** Using a tactile tool like a topic card or a pyramid, readers literally move ideas around on their small group table as they debate a question related to the text and to big ideas about courage, persistence, love, and honesty, and more.
2. **Discuss: During Reading** Students read and mark up a short text, exploring questions that get at the author's take on the big idea, noticing key vocabulary, text structure, moments of inference, and more.
3. **Deep-See Think: After Reading** Students re-read, synthesize, and revise their interpretations together and tweak the tactile tool, based on questions that probe the big idea in new and deeper ways.
4. **Connect: After Reading** Students summarize, and begin to transfer their understandings to other texts in independent reading and the world beyond, primed for this all-important transfer because they've been engaged in topics that clearly relate to their lives.
