Facing the gallows for defending his honor-by killing the captain of the guard-the mighty Conan jumps feet first into a rescue attempt of one of his fellow prisoners. When Conan learns his rescuers are the daring Rebels of the White Rose, he joins their blood-soaked insurrection.

But Conan's struggles are only beginning, for the road to the throne is defended by the Final Guard-- indestructible warriors made of stone. Conan must draw steel against these indomitable foes and pray that Krom will guide his blade both strong and true.
