La Cartuja de Parma (Spanish Edition) Stendhal

La cartuja de Parma (en francés: La Chartreuse de Parme) es una de las más reconocidas novelas del escritor francés del siglo XIX Stendhal, junto con Rojo y negro.

Se suele citar esta novela como ejemplo de Realismo avant la lettre, un estilo que marcaría, años después, una diferencia abismal respecto al Romanticismo corriente de la época en que escribió Stendhal.

Muchos escritores consideran La cartuja una obra realmente influyente; Honoré de Balzac la consideró la novela más importante de su tiempo, mientras que André Gide pensaba que era la novela francesa más grande de todos los tiempos. Tolstói se vio muy influido por el célebre tratamiento de Stendhal de la Batalla de Waterloo, en la que el protagonista, confundido, no para de preguntarse si ha participado o no en una «verdadera batalla».
